Student focus

Introducing Peta McGrath, a high achieving year 8 student who is enjoying making the most of her educational opportunities at Oberon High.

Peta’s favourite subjects are PE, Visual Arts and Technology Mandatory as she loves being creative. Her favourite teacher is Miss Marshall. Peta says she’s nice and makes Maths more interesting.

The best thing about Oberon High is the people and Peta loves the opportunities she has to do Sport and Drama.

As a keen sportsperson, Peta has represented the school in many sports at Rural Cup, as well as representing in debating and public speaking. She has also participated in drama and last year’s Showcase.

Peta also represented year 7 on the SRC in 2015.

Career-wise Peta is interested in photography or defence forces engineering specialising in weaponry. She is inspired by her aunt who is in the Air Force.

Outside of school Peta helps on the family farm and enjoys playing netball with the local Oberon team. She also enjoys photography and was awarded Champion Prize at the 2015 Oberon Show for one of her shots.

Last year, Peta was awarded Highest Academic Achiever in Year 7. With her dedication to her studies, enthusiasm and willingness to challenge herself, Peta will successfully undertake whatever she chooses.
The principal matters

The start of the 2016 school year proved to be one of the most seamless in many years with our students picking up their courses where they left off at the end of 2015. As most of our community are aware, Oberon High School implemented a new curriculum structure in the senior school known as a compressed curriculum on the 9th November 2015. At that time, all students in our school rolled into their next school year and began studying new courses. Year 11 students now study only three subjects, however for each they have 16 periods. This is double time compared to the traditional 6 subjects for 8 periods each. In 2016, our Year 11 students will complete their preliminary courses at the end of Term 1 and sit HSC examinations alongside our current Year 12 students. Next year they will then choose another three subjects. It is truly an exciting time. If you have any questions about our new structure, please contact Ken Barwick or Craig Luccarda for more information.

A new school year often brings new students and families to our school and the Oberon community and in 2016 we have again welcomed many new students from all over NSW along with our Year 7 students from the local primary schools. I would like to welcome all our new students and their families to Oberon High School, it so pleasing to see so many new faces around the school and I have enjoyed meeting the new parents for the first time. At the end of 2015 we anticipated an enrolment of 232 students and while some students have moved away, they have been replaced by our new students. Student enrolment census day is Wednesday 10th February 2016. All students who are returning to school in 2016 must attend school before this date to ensure they are counted in our school enrolment. If parents have any questions about classes or courses, please contact Ken Barwick or Craig Luccarda for more information.

School fees and subject fees are outlined in this newsletter and I encourage parents to contact the school if you have any concerns or need to organise a payment plan to help the family budget. Many students have selected elective courses in Year 9, 10, 11 and 12 which carry a subject fee to cover the costs of major projects. It is important that these fees are paid as soon as possible so that students can purchase the necessary materials to commence planning for these tasks. If you have any questions about major projects, please contact the Head Teacher of the subject area.

All of Oberon was thrilled late last year when our local superstar Mickey Pye launched his first studio album - “Unleashed”. A bus full of Oberon High School students attended the official album launch at the Bathurst Memorial Entertainment Centre (BMEC) on Thursday 26th November 2015. Thanks all students and teachers who attended the launch and purchased the album. It was very exciting news in early December to hear that the album debuted on the Australian ARIA Country Music charts at No. 2 and the single “When she’s drinking” went to No. 1. The success of the album landed Mickey Pye two nominations for golden guitars at the 2016 Australian Country Music Awards in Tamworth. Many students and staff watched the awards live stream on January 23 and were blown away with Mickey opening the show and performing with Lee Kernaghan. Mickey missed out on a golden guitar but gained a great deal of respect from the country music community for an outstanding year as the 2015 Toyota Star Maker. Congratulations and well done to Mickey Pye. Students can follow Mickey on his website – www.mickeypye.com.au or Facebook – www.facebook.com/mickeypyemusic.
School promotion through our school website, local radio, newsletters, newspapers and school magazine will continue to provide our students and their families in Oberon with up-to-date information, highlighting all that is great about Oberon High School.

There were many Oberon High School students who were nominated and recognised during the Australia Day Awards in Oberon on the 26th January 2016.

Ivy Moore (pictured above) achieved the top academic result in 2015 (Dux) and she was also named our 2015 Sportsperson of the Year. Ivy capped off an amazing year being named the Oberon Sportsperson of the Year at Oberon's Australia Day Awards. Ivy had played in the Australian Country under 21, NSW under 18 and the Open NSW Country Women’s hockey teams. An incredible effort to commit to many competitions while maintaining high academic standards at school. Well done Ivy, the students and the community are extremely proud of your efforts.

Our 2015 ADF Leadership Award and Caltex All-Rounder Award winner, Keely Armstrong (pictured above) was also honoured at the Australia Day Awards when she was named Oberon’s Young Citizen of the Year. Keely held many leadership positions throughout 2015 at school and also the position of Oberon Youth Deputy Mayor. Keely is truly a strong role model for the youth of Oberon and I join with many in Oberon in congratulating her on her fantastic success.

It is very important that parents notify the school when student details change! Change of address and phone numbers need to be passed onto our office staff so that contact can be made quickly when required. Please complete the attachment at the end of this newsletter if you have changed any details in the past 12 months. If you have any questions about any of the programs at Oberon High School, please contact Ken Barwick or Craig Luccarda.

**BYOD**

On Tuesday the 9th February 2016, Mr Armstrong will hold a parent meeting to introduce our ‘Bring our own Device’ (BYOD) policy and laptops to Year 7 and new students parents. At past meetings, families and students are blown away by the quality of the new touch screen laptops which can be purchased through the school at a heavily subsidized price thanks to the P&C and school BYOD support program. Students will receive their laptop contracts and they will need get these signed and returned to school with payment or a payment plan. After they sign an appropriate use of technology document at school, they will receive their new laptops to use in classrooms. If you have any questions about our BYOD program and the specifications required for technology at school, please contact Mr Armstrong on 02 6336 1606. We hope to see many parents and Year 7 and other new students at the meeting next Tuesday.
Emergency Evacuation Procedures – Continuous ringing of bells

It is necessary to have an orderly plan of action in case of an emergency – such as a fire or an explosion – so that everyone in the school will know how to evacuate as quickly as possible, without panic or injury.

It is most important that the WHOLE school be evacuated. This includes ALL the students, visitors and parents who may be in the school at the time.

The Alarm will be a continual ringing of the normal school bell. If the electric bell is inoperative, a hand bell will be rung continuously.

Evacuation Procedure

Students must obey the directions given by class teachers, who will instruct them to do the following:

a) Stop work immediately
b) Close all windows and switch off all power points and gas taps
c) Leave the room with your bags and walk calmly to the nearest emergency exit
d) Students should walk to the basketball courts; leave their bags in year group areas then walk to the tennis centre

Oberon High School has EFTPOS so that our parents and school do not have to carry large sums of money to purchase items from the front office or to pay for excursions. The EFTPOS facility has been well received by our parent community with school payments up over the past two years.

These items are available for purchase from the school office. The school office is open between 8:30am and 3:30pm.
Voluntary General School Contributions for 2016

- First Two Children: $60.00 each
- Additional children: no charge
- Membership of P & C Association: $2.00 single, $5.00 family

These General School Contributions will be spent on educational resources for your student. Payment can be made in one lump sum or in instalments.

The Student Assistance Scheme is available to parents/carers in financial difficulty and payment plans can be obtained through the principal. Please contact the Principal, Mr Ken Barwick on 6336 1606 for details. Your financial contribution to the school is much appreciated.

Compulsory Technology Fee Years 7 - 12
For supply of printing paper and materials: $10.00

Compulsory Subject Materials Fees Years 7 - 12
These fees contribute to the costs of materials used and consumed by students in the course of their chosen studies. They are published with subject selection guides so that choices can be made, knowing the costs associated with each subject choice. Should parents have difficulty in making these payments for subject materials, they should contact the Principal for support from the Student Assistance Scheme.

New Director Visit

Last Monday, Ms Toni MacDonald, Director Public Schools NSW Bathurst Network visited Oberon High School to meet with the principal, Mr Ken Barwick. She congratulated the school on the positive 2015 HSC results and discussed the continuing development of educational opportunities at the school. Ms MacDonald had a brief tour of the school facilities and enjoyed meeting with some of the staff and students (see photo on page 1).

Ms MacDonald has only recently been appointed to the Director position and is keen to meet with key people in the Oberon area to ascertain community perceptions and educational requirements for our students.
Refugees welcome here

As part of their transition program Year 7 2016 attended OHS in the last weeks of 2015 and during HSIE, English and Art lessons participated in a program called “Refugees welcome here”

Students began with a message from our (imaginary) town mayor, Miss McTrustry, asking them to prepare the people of our town for the arrival of new citizens who had been refugees by researching why there are refugees in our world and creating a “refugee Community resource kit” that helped community members understand what the new citizens offered to our community.

After completing their research students groups had the opportunity to create, amongst other things video messages, infographics, poems and collages.

The most beautiful creation was a blanket on which students drew the places and experiences to be found in Oberon that could make new citizens feel welcome.

The project familiarised students with the principles of ALARM which is a method of explicit teaching to ensure students move from lower to higher order thinking as they move through a response to a text/information. (For more information on ALARM please visit http://alarm.strikingly.com/) In addition, students had the opportunity to practice using google drive and learning tools such as vengage which they will use in their studies at high school.

Refugees are me

Here we are just people with homes and friends and lives,
We are here – that makes us glad.

There they are people with homes and friends and lives.
They can’t be there – that makes them sad.

But not bad.
Additions to the Digital Suite

Oliver

OHS moved to the new DET library management system “Oliver” two days before the Christmas holidays begun.

The new catalogue has the ability to search webpages as well as the library print collection which means the school library can find the best websites for school assignments and lead students to them (no more frantic search of three million search returns on google!) Pathfinders (resource lists for assignments) will be created for all school assignments and can be found on the catalogue and on the school learning website.

Oliver can generate email overdue notices. If a student has an overdue item they will receive a paper notice on Monday of Week A and an email notice to their DET email account on Monday of Week B. Students may wish to log on to their personal Oliver page to check if they have any overdues instead of waiting until the notice arrives.

Location

Link to the catalogue using the “My Library” link on the student portal page

Login details

As students have logged into the portal they will be automatically logged into the catalogue

Wheelers

OHS has joined the Central West ebook library consortium, giving students access to hundreds of ebooks as our library collection has expanded to include the collections of every public high school in the central west (just as our collection is now available to them). Primarily fiction, students may wish to access Wheelers ebooks for recreational reading or to find related texts for English.

Students can access the Wheelers library on any electronic device including Chrome books, ipads and phones.

Location

Go to https://oberonhigh.wheelers.co/ where you can download the Wheelers app.

**Commedia dell’Arte**

- a form of theatre characterized by masked “types” which began in Italy in the 16th century and was responsible for the advent of the actresses and improvised performances based on sketches or scenarios.

"Messy and creative" Jake Perry

"Fun and exciting" Emily Henby

"Vas on your face, never again! Happy with my mask" Max Piper

"The Vaseline was disgusting but the whole experience was fun" Olivia Hawkins

"My monologue character has 2 faces and each face shows a different personality" Luke McFarlane

---

**Year 9/10 elective Drama investigating Commedia dell’Arte**

Students make their masks - the first step in preparing for monologue performances at **Variety in (FREE)FALL**
Performing Arts - you're crazy!

That's right. You heard it here first. And look maybe we are a little crazy. But we're crazy for drama, dance and music.

Firstly, have a look at our poster for VARIETY IN (FREE) FALL. This was formerly the night known as Out of the Dark (2014) and Into the Light (2015). The evening will consist of drama performances from Elective (9/10) drama and HSC drama. So come along and check out our dramatic artists.

Later on in the year our performing arts students will provide entertainment for the Rural Cup participants and during our March Market Madness.

“Oberon High will rumble with performing arts”

Then of course, for the third year running, we will bring showcase, featuring students and staff showing off their various talents.

So keep your eyes peeled and your ears to the ground. Oberon High will rumble with performing arts for 2016.

Yours Dramatically Musical,
Amber Hibbert

TVET 2016 Commences

On Wednesday, eighteen of our senior students headed to Bathurst TAFE. Some were returning to complete courses commenced last year and others were there to start studying a course.

The students applied in 2015 for places in the following courses – Animal Studies, Automotive Studies, Human Services – Nursing, Children’s Services, Community Welfare and Tourism.

The students will attend each Wednesday of term time, during terms 1 to 3. Some students will have a work placement, in establishments relating to the courses they are studying.

Cheryl M Fitzpatrick
Careers Advisor

ABOVE: Nick Voytilla-Borg, Bronte Leihn, Clare Couling and Jason Mossey and RIGHT: Jess Maclure - in Bathurst on day one of their 2016 TVET courses.
Mr Lyle’s Year 8 Visual Arts class working on their black scratch paintings (also known as crayon etching). Students colour an entire sheet of white paper with coloured wax crayon before painting over it with black poster paint. They then etch the black paint off to reveal the multitude of colours underneath. Patience and a relatively light touch is required as once an etch is made it can’t be undone.

How to Contact Your School

p: 6336 1606  
e: oberon-h.school@det.nsw.edu.au

Our school office is open from 8.30am to 3.30pm Monday to Friday during school term

Keeping in touch with happenings at your school

w: oberon-h.schools.nsw.edu.au  
app: skoolbag

Newsletter - published on Friday of week 2 of the timetable. The current and past issues are available on the school’s website and through your school’s app - Skoolbag

School Magazine - complete magazine published towards the end. Available for purchase from the school office.
Oberon High School caters for a wide variety of interests. Here are contacts for some specific activities and interests.

Want to become involved in one of the most prestigious development activities in the world - see Mr Matt Leven, accredited facilitator of the internationally renowned Duke of Edinburgh Award.

Nurture and develop your interest in performance and music in our Rock Band, vocal group or with individual music tuition - see Ms Amber Hibbert.

Develop or extend your interest in horse activities - see Mrs Paula Hotham, manager of our multi-award winning Equestrian Team.

Need help with subject choices for your particular interests or potential career paths? - see Mrs Cheryl Fitzpatrick.

Do you have special talent or interest in particular sports? - see Mrs Tania Pringle, Mr Andrew Mitton or Mr Matt Leven for advice on training and conditioning for your chosen sport.

Interested in representative sport - Combined High School (CHS) or Western Region? - see Mrs Tania Pringle.

Want help with your homework, assessment tasks, extension work, study and revision? - come to the Homework Centre on Thursdays after school in the school library. Afternoon tea is provided, sponsored by Mawhood's Supa IGA.

Want some one-on-one assistance from teachers with your homework, assessment tasks, extension work, study and revision? - see Miss Holly McTrustry. Your first opportunity to perform in a show in 2016 is **Variety in [FREE]FALL** a one night only performance on 1st March.

Do you just love to perform on stage in music, drama, dance? Or do you want to work backstage (lighting, make-up, costumes, props)? - see Miss Holly McTrustry.

Want to develop leadership skills and foster your altruistic nature, representing your peers? - see Miss Shannon Marshall and get involved in the Student Representative Council (SRC).

Just need a bit of help coping? Contact the office to make an appointment to see the school counsellor. The counsellor is at the school one day each week and arrangements can be made if you want help at other times. The counsellor can help both students and parents.
Your P&C

Welcome back to another year at OHS. We hope everyone had happy and safe holidays.

As another school year begins the P&C will be hosting an informal get together for all members of our school community. Come along for a free sausage sandwich and a chat, meet new parents and teachers, or catch up with old friends. The barbeque will be held at 4pm on Thursday 11 February in the centre quad. A monthly meeting will be held after the barbeque.

Following the success of “March Market Madness” last year, the event will be held again this year on Friday 18 March from 2pm at the school. There will be stalls from student groups - trash ‘n’ treasure type stalls, direct selling stalls, bar-b-q, fresh popcorn, entertainment, raffles and much more.

“All money raised goes back to your students through initiatives such as laptop subsidies, provision of lockers, technology and other equipment”.

All money raised goes back to your students through initiatives such as laptop subsidies, provision of lockers, technology and other equipment. So make sure you make it to MARCH MARKET MADNESS. Come along to support your school, have some fun and grab yourself a bargain!

Our annual general meeting will be held on Thursday 10 March at 5pm in the school library.

Agenda for AGM:
- Minutes from last meeting
- Treasurer’s report
- President’s report
- Election of 2016 office bearers
- Allocation of proposed spending for 2016

Agenda for monthly meeting to be held immediately after AGM:
- Minutes from last meeting
- Correspondence
- Treasurer’s report
- Principal’s report
- Market day
- Proposed fundraising

P&C dates in 2016
Thursday 11 February - Welcome Barbeque at 4pm All Welcome (Meeting after)
Thursday 10 March - Annual General Meeting 5pm in the School Library
Friday 18 March - March Market Madness 2pm-7pm

For more information on the events above, or anything about your P&C, please call Gayle on 0419 445 767.

Gayle Voerman, P&C President
What’s Happening

Monday, 8 February - House meetings for sports carnivals - see Mrs Tania Pringle
Wednesday, 10 February - Swimming Carnival - all day - see Mrs Tania Pringle
Thursday, 11 February - Homework Centre - 3.18pm - 4pm - see Miss Ruth Grace
Thursday, 11 February - Welcome BBQ hosted by P&C - 4pm - ALL WELCOME
Monday, 15 February - Lions Youth of the Year - see Ms Nicole Francis
Wednesday, 17 February - Athletics Carnival - all day - see Mrs Tania Pringle
Tuesday, 23 February - Parent Teacher evening - 4pm - 6pm
Friday, 19 February - School photos (see order details page 16)
Tuesday, 1 March - VARIETY IN (FREE)FALL - 6pm, gold coin donation - see Miss Holly McTrustry

Everything is available if ordered at Recess
(All items comply with the Healthy School Canteen Strategy)

‘A school marches on its stomach’

(apologies to Napolean)

The canteen is an integral part of our school.
To keep functioning, our canteen relies on the help of generous volunteers.
Please give some of your time - just a couple of hours, as little as one day a month.

Contact Veronica Kelly on 6336 1606.
Oberon United Football Club is having a Disco on Friday 26th February 2016 at the Oberon RSL Club Auditorium. Juniors (up to Yr 6) 5.30pm to 7.30pm $8.00 each, Seniors (Yr 7 to under 18) 8pm – 10pm $10.00 each. Disco will be supervised by Soccer Committee and helpers (volunteers welcome). There will be glow sticks and lots of goodies available so don’t forget your pocket money!

Oberon Netball Club Registration

Friday, 12th February and Friday, 19th February from 3:30 ‘til 5 pm in front of Mawhoods Supa IGA. Saturday, 20th February at the Oberon Show from 9 am ‘til 3 pm. Contact: Andrea Rich 0400 908 663.
PARENTING TEENAGERS

Veritas House will be conducting the popular Teen Triple P parenting program from our premises at 106 Russell Street Bathurst soon.

Bring the joy back into parenting and solve problems such as,

- Over use of technology
- Resistance to school
- No help around the house

The program is free and begins on Tuesday 15 March 2016
Morning or evening sessions available.
Please ring Graham Palmer on 6332 2277 for more information and to reserve a place.

Practical projects in TAS

ABOVE LEFT: Will Denham relaxes in an Adirondack chair, a project he will be undertaking next term.
ABOVE RIGHT: Alex Raymond preparing to weld in the purpose built welding bay in the TAS Industrial Technology Metals Room.

Our school photos will be taken on Friday the 19th of February 2016.

For the convenience of our school community, school photos can be ordered and paid for online using a secure online platform. Orders placed online DO NOT require an envelope, cash/cheques or paperwork returned to school.

Envelope Orders: photos can also be purchased in the traditional manner using an envelope, with cash/cheque enclosed.

The preference of our school is that orders and payments be made online, as this reduces the administration and associated security issues related to the return of cash & envelopes on photo day.

To place your order visit [www.advancedlife.com.au](http://www.advancedlife.com.au) and enter the code: [TJA SWA 3A1]. This code can also be found printed on your envelope. Please be aware that:

1. Sibling/Family Photos can be ordered online or via envelope. To ensure a smoothly run photo day, online orders for Sibling/Family Photos will be cut off at 12.00 a.m. the night before our photo day to allow a list of students that require Sibling/Family Photographs taken to be compiled. Sibling photos can still be ordered after the online cut off date by collecting an envelope from the office and returning the envelope on photo day with your payment enclosed.
2. All online orders should be placed on or before our day of photography.
3. The online code above may also be used to order sports and other group photos.

All orders placed online will be delivered to the school for collection.
